City of St. Louis Water Division Request for Proposal (RFP) for Hoisting and Rigging Services #24RFP007

Date of Issuance: March 19, 2024

Question Deadline: April 12, 2024

Proposal Due: April 25, 2024, at 3:00 p.m. central time

The City of St. Louis Water Division has issued a request for proposals (RFP) to select a professional Hoisting and Rigging services contractor on City Water Division property and rights of way. This RFP may be found on the City's procurement page (<https://www.stlouis-mo.gov/government/procurement/#rfp>), and/or by emailing PKuehling@stlwater.com. The deadline for proposals is 4/25/24 at 3:00 p.m. central time. The selected contractor will perform hoisting services with skilled certified crane operators on a scheduled or emergency basis following OSHA guidelines. Hydraulic equipment shall be equal to Grove, Linkbelt, etc. late model hydraulic truck cranes that are inspected and meet OSHA standards. The quality of the equipment will be part of the decision-making process.

Proposals must be submitted in strict accordance with the instructions in the RFP. The City shall not be bound based on any proposal submitted. MBE/WBE/DBE firms are encouraged to apply.

City of St. Louis Water Division Request for Proposal (RFP) for Mobile Hydraulic and Industrial Hose Repair Services #24RFP009

Date of Issuance: March 20, 2024

Question Deadline: April 18, 2024

Proposal Due: April 22, 2024, at 3:00 p.m. central time

The City of St. Louis Water Division has issued a request for proposals (RFP) to select a professional mobile hydraulic and industrial hose repair services contractor. This RFP may be found on the City's procurement page (<https://www.stlouis-mo.gov/government/procurement/#rfp>), and/or by emailing PKuehling@stlwater.com. The deadline for proposals is 4/22/24 at 3:00 p.m. central time. The selected contractor must provide on-site mobile hydraulic and industrial hose repair service via a fully equipped Mobile Service Vehicle with a wide selection of hydraulic and industrial products and specialized equipment to be able to cut, clean, tag, and crimp hose assemblies on-site. The award winner must be available with sufficient staffing every calendar day of the year including holidays and weekends, and guarantee a 1-hour response time when the Water Division calls.

Proposals must be submitted in strict accordance with the instructions in the RFP. The City shall not be bound based on any proposal submitted. MBE/WBE/DBE firms are encouraged to apply.

**City of St. Louis Water Division Request for Proposal (RFP) for Vegetation Management Services
#24RFP010**

Date of Issuance: March 22, 2024

Question Deadline: April 10, 2024

Proposal Due: April 26, 2024, at 3:00 p.m. central time

The City of St. Louis Water Division has issued a request for proposals (RFP) to select a professional vegetation management and herbicide spraying services contractor. This RFP may be found on the City's procurement page (<https://www.stlouis-mo.gov/government/procurement/#rfp>), and/or by emailing PKuehling@stlwater.com. The deadline for proposals is 4/26/24 at 3:00 p.m. central time. The selected contractor must provide lawn maintenance and herbicide spraying of City Water Division sites inside designated areas within Water Treatment facilities as well as perimeters, outer areas of Reservoir storage locations and perimeters, rights-of-way, fence line perimeters, etc. Locations are in the City of St. Louis as well as St. Louis County MO and Chesterfield MO. Bids must include all designated areas, and only one contractor will be chosen. Maps and descriptions are included in the RFP documents, and pre-bid tours may be arranged.

Proposals must be submitted in strict accordance with the instructions in the RFP. The City shall not be bound based on any proposal submitted. MBE/WBE/DBE firms are encouraged to apply.

**City of St. Louis Water Division Request for Proposal (RFP) for Fleet Vehicle Repair Services
#24RFP012**

Date of Issuance: March 26, 2024

Question Deadline: April 22, 2024

Proposal Due: April 29, 2024, at 3:00 p.m. central time

The City of St. Louis Water Division has issued a request for proposals (RFP) to select a professional fleet vehicle repair and maintenance services contractor. This RFP may be found on the City's procurement page (<https://www.stlouis-mo.gov/government/procurement/#rfp>), and/or by emailing PKuehling@stlwater.com. The deadline for proposals is 4/29/24 at 3:00 p.m. central time. The selected contractors must provide vehicle repair and preventative/routine maintenance services for the City of St. Louis Water Division fleet on at least one brand of passenger vehicle or truck, and multiple vendors will be selected. The fleet includes approximately 150 total vehicles. Bodywork is also needed. Brands needed include but are not limited to Ford, International, Freightliner, etc. References from other customers of a similar size must be included.

Proposals must be submitted in strict accordance with the instructions in the RFP. The City shall not be bound based on any proposal submitted. MBE/WBE/DBE firms are encouraged to apply.

City of St. Louis Water Division Request for Proposal (RFP) for Pump Out Services #24RFP013

Date of Issuance: March 27, 2024

Question Deadline: April 22, 2024

Proposal Due: April 30, 2024, at 3:00 p.m. central time

The City of St. Louis Water Division has issued a request for proposals (RFP) to select a professional pump out services contractor. This RFP may be found on the City's procurement page (<https://www.stlouis-mo.gov/government/procurement/#rfp>), and/or by emailing PKuehling@stlwater.com. The deadline for proposals is 4/30/24 at 3:00 p.m. central time. The selected contractors must provide professional services to perform repairs and/or new installations to sanitary pumping systems, remove and properly dispose of sanitary waste from the requested location, and other services as requested. The locations are primarily at the Howard Bend Water Treatment Plant in Chesterfield, MO, the Chain of Rocks Water Treatment Plant in the City of St. Louis, and the Distribution Section (Pipeyard) in the City of St. Louis.

Proposals must be submitted in strict accordance with the instructions in the RFP. The City shall not be bound based on any proposal submitted. MBE/WBE/DBE firms are encouraged to apply.
