Question and Answer #1
24RFP021 Crane and Hoist Maintenance and Inspection Services

June 6, 2024

1) **Question:** Are inspections to be priced at an hourly rate or a per unit rate? From what we can see, there appears to only be one pricing sheet for labor rates.

Answer: Please share your hourly rate for maintenance. For inspections, you can price them (a) with different hourly rates or (b) the same hourly rate, or (c) on a per unit rate basis. You can use an additional sheet to explain your pricing or put it on the same page. If you use an additional sheet, please put the name of the RFP, your company name, and the date at the top of the new page and sign it (in case it gets separated from the rest of your response).

Thanks,
Pam
